# FALL CAMP WELCOME LETTER

---

- Cell service is available in this area
- As per BP&P, you must have medical info on hand from myscouts for each registered member and a [Physical Fitness Form](#) (click link for form) for any non registered youth or adult (sibling / parent / etc.)
- Any guests not registered with Scouts Canada must bring an [Individual Hold Harmless Form](#) and adults must meet the [current volunteer screening requirements](#) (Scouts Canada Policy)
- No alcohol or recreational drugs consumed or made available at Anglin Lake - no exceptions (Scouts Canada Policy)
- No pets may be brought to camp (Scouts Canada Policy)
- When you arrive, please honk once to signal our greeter to come & greet you. He/She will direct you to your site.
- Meals are not provided, please come self contained
- Drinking water is available
- We have no refrigerator space. All food must be stored in critter resistant coolers/containers and stored in your vehicles in designated parking lots or our designated buildings. Organizing your groceries by meals is helpful.
- You are responsible for your own ice. There are 2 stores nearby (approx 10 min drive).
- We are in bear country. It is very important that after meal times all of your food and garbage is put away and cooking site cleaned up. Camp sites will be inspected by staff.
- All toiletries (smelly stuff) should be stored the same as food. Critters have been known to explore things like toothpaste.
- Fire rings are provided in each site and wood is provided
- Picnic Tables are available
- All meals will need to be cooked on your camp stoves or in your fire ring.
- Emergency buildings are available, but no shelters are in individual campsites.
- Please ensure your youth bring appropriate gear for the fall season. A suggested personal packing list has been provided.
- Groups are responsible to bring their own gear:
  - Tents
  - Cooking Equipment (Pots, Pans, etc.)
  - Spices
  - Supplies (tinfoil, oil, paper towel etc)
  - Wash tubs (wash, rinse, sanitize)
  - Dish Soap & bleach
  - Mesh bag(s) for hang drying group dishes
  - Fire Extinguisher for cooking area
  - Camp Stove
  - Fuel
  - Camp Axe/Rake/Hatchet
  - Group Alarm Clock
  - Lantern
  - Tarps, twine & rope - for setting up shelters for cooking/eating
  - 2 drinking water containers (eg 20L) - drinking water is hauled from central storage tank)
  - coolers/containers for food storage
  - Repair Kit for group equipment (duct tape, stove repair pieces, spare globe & mantels for lanterns, etc)
  - First Aid Kit
