

The Directors and Staff of Wilderness Rendezvous would like to ask a favor of the Scout Leaders receiving this registration package.

A note re **Pioneer Program**, if you have Scout youth who have trouble with strenuous **physical activity** or are **not as mature** as some of your other youth, they would be **better** in the **Pioneer Program** instead of the 1st Year Program.

In an effort to keep our costs as reasonable as possible we would ask that you please share this package with the Cub Leaders in your groups, as 3rd year cubs are eligible to attend WR and take part in the Pioneer Program.

We are always looking for new groups and youth to attend our camp. Also, if you know of a group who didn't receive our registration package, please let us know.

If you have any further questions or want more info please contact us at: wildernessrendezvous@gmail.com or call us at:

306 536-2736 and ask for Penelope

306 536-3204 and ask for Garry

Thanks
